

October 2025

Thank you for your generous support! In September, BCH team members Melissa and Tracy had the opportunity to travel to the Dominican Republic to witness firsthand the impact of your support. They visited five foster homes and met all 27 children who are being nurtured through our program.

In addition, they met with many families from the community who need help. Each family had an obstacle in their way but they all had one thing in common: they wanted to provide for their precious children. Since the heart of BCH is to empower families with the hope of Christ, we are exploring a new program to support families in the DR. This initiative will aim to strengthen households and communities so that children can grow up surrounded by the love and stability God intended families to provide. It was moving to see the eagerness of parents longing to raise their children in safe, faith-filled homes.

Trips like this can be both challenging and inspiring. They witnessed the ravages of systemic poverty and the unwavering faith and resilience of the local people. Each smile, hug, and story reminded them that God is at work, bringing hope and healing to young lives, but there is still more that can be done.

Your contributions make everything we do possible. Because of you, children are receiving care rooted in God's love, and families are being equipped to flourish. As the Apostle Paul reminds us, *"Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up"* (Galatians 6:9).

Thank you for faithfully sowing into this harvest. Your continued partnership allows us to expand from serving children in foster care to strengthening entire families. Together, we are advancing God's design for children to thrive, families to flourish, and communities to experience the love of Jesus.

With Gratitude,

Craig Freyenberger, CEO
