

# VBS 2025 Giving Project: Hope Builders - Bricks of Love

This summer, we can help build a new school in the village of Gbonota, Liberia where children are currently learning in a building made of mud and sticks.

**Together, we can help!**

Every VBS offering brings us one brick closer to a strong, safe school for Gbonota.

Let's teach our kids the joy of giving and watch God use their generosity to change lives.
