

Thank you!

A NOTE FROM THE INTERIM CEO

As we enter 2025, we're committed to building on the momentum of last year while launching into new opportunities to strengthen our ministry. We thank you for the incredible impact you've made through your generosity to Bringing Children Hope. Your giving has been a powerful connection between your heart and the families and children we serve—a connection rooted in God's love and hope. Here are some of the ways you have impacted families and children in the US and around the globe.

OUR SHELVES ARE STOCKED, AND WE'RE READY TO HELP MANY LOCAL FAMILIES

The generosity of the BCH community came through in a big way for children and families this giving season! Thanks to the many local businesses, churches, and individuals who contributed, our shelves are stocked, and we're ready to help many NW Indiana families in need.

A special shoutout to the many local churches and friends that went the extra mile to help us unpack and organize everything! Your hard work and servant hearts made all the difference.

Together, we're showing God's love in action and making sure no family goes without. Thank you for being part of this mission!

BRINGING HOPE IN NW INDIANA

We are connecting with our community through our Local Prison Trauma Training Ministry. Led by our own Tracy Bucher, this outreach equips the women in the class with tools to heal from their past trauma while introducing them to the life-changing hope of the Gospel. This ministry is only possible because of the faithful support of our contributors. Your generosity directly connects you to this mission, offering hope to those who need it most. Thank you for being a part of this incredible work!

YOUR CHRISTMAS GIVING IS MAKING A DIFFERENCE FOR CHILDREN AND FAMILIES

Thanks to your generosity, over 300 children and their families in Liberia enjoyed a joyful chicken dinner celebration, and every child received a special Christmas gift! Just look at the joy on their faces! But the celebrations didn't stop there! With your help, we brought joy to children and families in Haiti, the Dominican Republic, Zambia, India, Nepal, and Myanmar this Christmas season.

The kids are enjoying the special dinner. We are always praying for you. Thank you! – Grace, Myanmar

CONNECTING WITH OUR COMMUNITY

Because of you, **Homes of Compassion** has been a refuge for families in crisis. In 2024, 45 families were strengthened with care, training, and support, helping them stay together and thrive. Your partnership has directly provided stability and Christ-like love to those in their time of need.

Your giving also helped us host **Christmas festivals** in our international ministry locations, sharing meals, joy, and the Gospel with families who had never before experienced the love of Christ. This was more than just a celebration—it was a powerful testimony of God's grace, made possible by your generosity.

This year, we were thrilled to host our very first Coffee with BCH, bringing together pastors and church leaders from Northwest Indiana for a morning of breakfast, collaboration, and encouragement. The room was filled with energy and shared passion as we discussed ways to better serve our community, families, and children.

This gathering wasn't just about coffee—it was about building relationships and forging meaningful connections that will strengthen our collective impact. We're so grateful for the leaders who joined us and are excited about the opportunities ahead. We can't wait to host more events like this and continue working together to share God's love in powerful ways!

Every gift and every prayer connect you to the transformation we see daily. Together, we are God's hands and feet, bringing hope and healing to those who need it most. Thank you for making 2024 a year of connection, love, and impact!
