

February 2025

We are thankful so many of you are Bringing Children Hope by providing money for meals, clothes, education, but most of all an opportunity for these children to know the love of Christ. Many of our children are from homes where their families don't teach them about God and His love. We have faithful Care Families willing to share the love of God with the children in our care homes, locally and worldwide. We are thankful we at BCH can have a part in providing hope for these children.

Thank you so much for your faithful gifts and prayers for Bringing Children Hope. This new year many of us do not have to be concerned about where our next meal is coming from, if someone will knock on our door letting us know we will be drafted to serve in the military, or that we will be persecuted for our faith. That is not the case for many in the countries where we serve.

Here locally, we're thrilled to share an exciting new project that has the potential to transform lives in our community. The **Hope Hub**, located at our home office in Valparaiso, Indiana, is more than just a building—it's a vision to strengthen families, empower parents, and provide children with a safe, nurturing environment to grow and thrive. Your contribution helps make all this possible. Whether we are helping families in Myanmar, India and beyond, or right here in our back yard, it is all possible because of faithful prayer and your financial gifts! We are truly grateful for your faithfulness.

Sincerely in Christ,

Craig Freyenberger  
Interim CEO
