

June 2025

Thank you for your support of Bringing Children Hope. As you may know, we are building a space at our office called the Hope Hub. The Hub is a beautiful, intentional space that allows those in our community to come and feel loved. They will be met with smiles and shown the hope in Christ that we all need. Our world is hurting and many around us are struggling with something – whether it's relationships, having physical needs, or feeling alone. We want to be a light in our community. This light called the Hope Hub is officially being opened on June 17th and you are invited to take a tour of this space. This is an exciting time for BCH to be present in our community and allow those to be welcomed with hope and love.

The details of this special day are below. If you can't make it or receive this invitation after June 17th, consider this your invitation to come visit anytime. Our office is open every weekday and we would love to give you a tour. Our amazing team had a fun time dreaming and making these ideas a reality, but our prayer is that changed lives will result in this space. We want the Hub to be filled with hugs, prayers, and life lessons that are intertwined with scripture to show that true hope is attainable and has the best interest in mind for family living.

Whether you can visit the space or not, please take a moment to pray and dedicate this space to the Lord. We know that we can only plant the seeds of hope, but Christ can make hope grow into something beautiful. Thank you for your gift and prayerful support of the ministry of BCH. We hope to see you soon!
