

At Bringing Children Hope, we have many events planned to celebrate the Christmas season.

Some of those celebrations include:

- Cookie decorating party at the Hope Hub
- Christmas concert performed by the Billy Sampson Ministry
- Staff Christmas party
- Christmas gift distribution to local Northwest Indiana families
- Special Christmas dinners hosted by each of our 10 partners in 7 countries
- Two Christmas outreach festivals in Myanmar

Why do we make a big deal about Christmas? We know the hope that Bringing Children Hope brings started as a baby wrapped in swaddling clothes, lying in a manger. The parents of this baby were in a crisis. They had left their home with no place to stay with a newborn. Yet God provided for each of their needs in the exact time that it was needed. This baby went on to become our Savior who took on the sins of the world to save us. Talk about something worth celebrating!

As you celebrate this holiday season with your loved ones, I pray that we all truly experience this hope in our lives all throughout the year.

From all the staff, partners, and children at Bringing Children Hope, we wish you and your family the most wonderful Christmas of celebrating the birth of our Savior!

In Christ,

A handwritten signature in black ink that reads 'Craig'.
